

- Air purge unit with air connection

Product Characteristics

Type	DAK 303
Art.-No.	6913C
Application	Air purge unit with air connection for lens cleaning usable for optical sensors in M40 housing

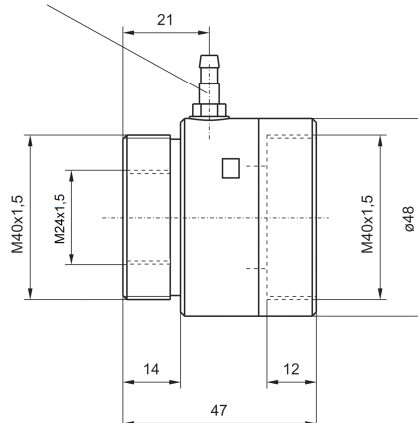

Technical Data

hose connection for inside diameter	Ø 4 mm
air pressure	0,5 bar
Luftverbrauch	min. 25 l/min
air consumption	70 °C
Material	stainless steel
Weight	0,4 kg

Dimension (mm)

Schlauchanschluss für
Schlauchinnendurchmesser 4 mm

Tube connector inside diameter 4 mm

Accessories (not in scope of supply)

Type	Art.-Nr.
-	-
